**IGPC Ethanol Inc. Announces Agreement with Synergy Grain Trading Ltd.**

IGPC announces that effective January 1, 2022, Synergy Grain Trading Ltd. will become their partner for sourcing corn at its ethanol facility in Aylmer, Ontario.

Since inception IGPC has used Cargill and most recently Andersons to procure corn. IGPC would like to thank Andersons for their excellent service since 2015.

IGPC's strategy is to take a more active role in its grain origination and partnering with Synergy will support this initiative.

Andersons will continue to be responsible for IGPC's corn procurement up to December 31, 2021. Origination for deliveries of corn commencing January 1, 2022, will be led by Synergy.
